AS AMENDED: August 12, 1964, October 26, 1966, December 13, 1972, July 10, 1974, May 14, 1975, June 29, 1982, July 1, 1983, June 25, 1985, Sept. 9, 1986, April 10, 1990.

The agreement entered into pursuant to Chapter 71 of the General Laws, as amended, and as supplemented by Chapter 371 of the Acts of 1993, among the Towns of Ashfield, Buckland, Charlemont, Colrain, Hawley, Heath, Plainfield, and Shelburne, hereinafter sometimes referred to as member towns, is hereby further amended in its entirety to read as hereinafter set forth.

In consideration of the mutual promises herein contained, it is hereby agreed as follows:

SECTION I

THE REGIONAL DISTRICT SCHOOL COMMITTEE

(A) Composition

The powers and duties of the regional school district shall be vested in and exercised by a regional district school committee, hereafter sometimes referred to as the Committee. The Committee shall consist of sixteen (16) elected members, two (2) from each town. A member appointed by the Rowe School Committee would serve as a non-voting member of the Committee as described in Section IX (G) of this Agreement. Members shall serve until their respective successor members are elected and qualified.

Commencing in the year 2001 and every ten (10) years thereafter, the Committee shall review the population of the member towns as reported in the previous year's federal decennial census and adjust the weighted vote of the Committee accordingly.

(B) Elected Members

At the annual town elections in 1994, in addition to any term of office of an elected member whose term is expired, the following shall also be elected: the Town of Hawley shall elect one

member for a three-year term, and one member for two-year term; the Town of Heath shall elect one member for a three-year term and one member for a one-year term; the Town of Plainfield shall elect one member for a two-year term and one member for a one-year term.

2004 Election Year – Terms of all currently elected committee members with the exception of Heath, Hawley and Plainfield, will expire as of the annual town elections in 2004. At the 2004 annual town elections two school committee members will be elected from the Towns of Ashfield, Buckland, Charlemont, Colrain, and Shelburne. The school committee member who receives the largest number of votes from his/her town will serve a term of three years. The school committee member who receives the second largest number of votes will serve a term of two years.

Thereafter, in every year in which the term of office of an elected member expires, each member town involved shall, at its annual town election, select one member to serve on the Committee for a term of three years.

Each elected member commencing with the organization of the Committee following the 2004 town elections, shall have a weighted vote to be determined by the member town's population as it relates to the total population of all member towns divided by the number of representatives to the Committee from said member town. Each weighted vote shall be determined to the nearest one-tenth and be adjusted every ten (10) years using the population figures as reported in the most recent federal decennial census.

(C) Vacancies

If a vacancy occurs in the Committee, such vacancy shall be filled by the selectmen and the school committee member from the member town involved acting jointly to appoint a member to serve until the next annual town election, at which annual election a successor shall be elected for the balance of the unexpired term, if any.

(D) Organization

Promptly upon the election and qualification of Committee members elected at annual town elections in 1994 and thereafter, the Committee shall organize and choose by ballot a chairman and a vice chairman from its own membership. At the same meeting or at any other meeting the Committee shall appoint a treasurer and secretary who may be the same person but who need not be members of the Committee, choose such other officers as it deems advisable, determine the terms of office of its officers (except the chairman and the vice chairman who shall be elected as provided above) and prescribe the powers and duties, if any, of its officers, fix the time and place for its regular meetings and provide for the calling of special meetings.

(E) Powers and Duties

The Committee shall have all the powers and duties conferred and imposed upon school committees by law and conferred and imposed upon it by this Agreement and such other additional powers and duties as are specified in Sections 16 to 16 I, inclusive, of Chapter 71 of the General Laws and any amendments thereof or additions thereto now or hereafter enacted, or as may be specified in any other applicable general or special law.

(F) Voting

The District shall have one Committee composed of representatives from each member town as set forth above. Members of the Committee from the Towns of Hawley and Charlemont will not vote on any matters that the Committee determines to concern the operation of grades kindergarten through six, exclusively.

(G) Voting Weights

The initial weighted votes of the Committee members established in 1994 from each member town are as follows:

Member Towns	Number of Members	Weighted Vote of each Member
Ashfield	3	5.6%
Buckland	3	6.3%
Charlemont	3	4.1%
Colrain	3	5.7%
Hawley	2	1.5%
Heath	2	3.5%
Plainfield	2	2.8%
Shelburne	3	6.5%

The weighted votes of the Committee have been adjusted using the population figures as reported in the most recent federal decennial census and are as follows:

After the reconstitution of the committee in 2004 the weighted votes of the Committee members from each town shall be as follows:

(H) Quorum

The quorum for the transaction of business shall be a majority of the Committee and greater than 50 percent of the weighted vote membership, but a number less than the majority may adjourn.

SECTION II

TYPE OF REGIONAL DISTRICT

The regional district shall include all grades kindergarten through grade twelve, inclusive, and also consisting of grades or programs antecedent to kindergarten as may be required by statute, or as may be authorized by statute and established by the Committee. The Committee is hereby authorized, in its discretion, to establish and maintain state-aided vocational education, acting as trustee therefore, in accordance with the provisions of Chapter 74 of the General Laws and acts amendatory thereof in addition thereto or dependent thereon.

SECTION III

PUPILS

(A) Pupils Entitled to Attend the Regional High School

Residents of the member towns and all residents of the Town of Rowe in grades seven through twelve will be eligible to attend school at the Mohawk Trail Regional High School, located on Route 112 in Buckland, Massachusetts.

(B) Pupils Entitled to Attend the Regional Elementary Schools

Subject to the provisions of this section, it is intended that elementary students residing in the member towns of Ashfield, Buckland, Colrain, Heath, Plainfield and Shelburne (the “K-12 Member Towns”) will receive their education in facilities located in the District and will be assigned as follows: Ashfield and Plainfield residents to Sanderson Academy; Colrain residents to Colrain Central School; Buckland and Shelburne residents to Buckland Shelburne Elementary School; and Heath residents to Heath Elementary School. Notwithstanding the above, students may be educated in a District school other than as assigned above upon (i) a majority vote of the School Committee, and (ii) an affirmative vote by both (a) the member town or towns whose students are so assigned, and (b) the member town or towns served by the District school to which such students will be assigned, acceptance by each town to be a majority vote at an annual or special town meeting.

However, it is also the intent of this Agreement that the closure of a District elementary school building and the reassignment of all students being educated in that building may not be accomplished under this section. Rather such action requires an amendment to this Agreement, the process for which is contained in Section XIV.

(C) Pupils with Special Needs

Pupils with special needs receiving services under the provisions of Chapter 71B of the General Laws, as amended, shall attend schools as designated by the Committee.

(D) Reassignment of Pupils

Residents of the K-12 Member Towns in grades kindergarten through six, may be reassigned to schools outside their respective towns when, in the judgment of the Committee, there is a temporary need to reassign pupils when damage to a physical plant renders the facility unusable, in whole or in part, for its intended purposes.

Pupils may also be accommodated in other elementary schools within the district when approved by both the pupil's parents and the Committee provided that the Committee determines that such a reassignment is prudent and can be accomplished and is in the best interest of the pupil.

(E) Vocational and Trade School Pupils

Any pupil residing in a member town which is not a member of a vocational regional school district who is desirous of attending a trade or vocational school outside the District shall have all the privileges of attending such a school as are now or may be hereafter provided for by law. The cost of tuition for attending such a school and the cost of transportation, when necessary, shall be assessed by the District upon the town wherein the student resides, providing, however, that the District School does not offer the vocational courses.

(F) Admission of Pupils Residing Outside the District

The Committee shall accept for enrollment in the District High School, pupils from the Town of Rowe on a tuition basis and upon such terms as are set forth in Section IX of this Agreement. The Committee may accept for enrollment in the regional district schools pupils from towns other than the member towns and the Town of Rowe on a tuition basis and upon such terms as it may determine. In either case, income received by the District from tuition pupils shall be deducted from the total operating costs in the next annual budget to be prepared after the receipt thereof, prior to apportionment under Section IV of this Agreement to the member towns.

(G) Admission of School Choice Students

The Committee may elect to participate in the State's School Choice Program during any given year as provided in Chapter 76, Section 12B, Inter-district School Choice. If the provisions of Chapter 76, Section 12B are amended or a new statute is passed governing the State's School Program, all such statutes or amendments shall supersede the provisions of (G), Admission of School Choice Students and shall be implemented in conformity to applicable law.

SECTION IV

(A) Classification of Costs

For the purpose of apportioning assessments levied by the District upon the member towns, costs shall be divided into two categories; capital costs and operating costs.

(B) Capital Costs

Capital costs shall include all expenses in the nature of capital outlay such as the cost of acquiring land, the cost of constructing, reconstructing and adding to buildings, and the cost of remodeling or making extraordinary repairs to a school building or buildings, including without limitations the cost of the original equipment and furnishings for such buildings or additions, plans, architects' and consultants' fees, grading and other costs incidental to placing school buildings and additions and related premises in operating condition. To Ashfield: A portion of the whole expressed as a percentage of the total to the nearest one-hundredth of one per-cent calculated as follows: By (1), computing the ratio which the population of the Town of Ashfield bears to the total of the population of the towns of Ashfield and Plainfield, and by (2), computing the ratio which the sum of the enrollments of pupils at said school(s), resident in the Town of Ashfield, as determined by the census of pupils at said school(s) each October 1 for the five most recent years, bears to the sum of the enrollment of pupils at the Ashfield Plainfield district school(s), resident in the towns of Ashfield and Plainfield, as determined by the census of pupils at said school(s) each October 1 for the five most recent years; and by summing both ratios ((1) + (2)), and dividing such sum by two.

To Shelburne: A portion of the total of all principal and interest on bonds, notes or other obligations as issued by the Buckland Colrain Shelburne Regional School District or the Committee consistent with the above, expressed as a percentage of the total to the nearest one-hundredth of one per-cent calculated as follows: By (1), computing the ratio which the sum of the enrollments of pupils at the Buckland Shelburne Regional school, resident in the Town of Shelburne, as determined by the census of pupils at said district school each October 1 for the five most recent years, bears to the sum of enrollments of pupils at said district school, resident in the towns of Buckland and Shelburne, as determined by the census of pupils each October 1 for the five most recent years; and by (2) expressing such ratio as a percentage.

(3) Capital costs incurred prior to July 1, 1993 by the Town of Heath and all capital costs incurred July 1, 1993 and thereafter by the Committee and associated with grades Kindergarten to six, inclusive, of any District school or schools which may be constructed by the Committee to serve pupils from the Town of Heath shall, after deducting any receipts from the Commonwealth or other revenue source relating

thereto, be assessed to the Town of Heath. Capital costs representing payments of principal and interest on bonds, notes or other obligations as issued by the Mohawk Trail Regional School District or the Committee to finance expenses in the nature of capital outlay for the purpose of construction at the site of, or reconstruction to, the Heath Elementary School or upon any Premises as may be purchased by the Mohawk Trail Regional School District for the purpose of providing facilities primarily for the education of Heath pupils only shall be borne by the Town of Heath.

(4) Nothing in this section shall be construed to prevent the member towns from amending this Agreement and modifying and/or altering the above designated schedules of apportionment of capital costs in the event subsequent school construction or reconstruction results in a change of grade level or town assignments to the District schools.

(F) Apportionment of Capital Costs Grades 7-12

Capital costs incurred after July 1, 1982 and prior to July 1, 1993 shall be apportioned to the member towns annually for the ensuing fiscal year as follows:

Ashfield	13.4%
Buckland	21.8%
Charlemont	11.2%
Colrain	18.4%
Hawley	3.1%
Heath	4.9%
Plainfield	4.6%
Shelburne	22.6%

Capital costs represented by debt service shall be apportioned as a capital cost of the year in which the debt service falls due.

Capital costs incurred July 1, 1993 and thereafter shall be apportioned to the member towns annually for the ensuing fiscal year as follow:

- (1) Each member town's share of capital costs associated with the District High School for each capital project shall be apportioned to the member towns on the basis of their respective pupil enrollments at said school. Each member town's share shall be determined by computing the ratio which that town's average pupil enrollment at said school on October 1 of each of the five years next preceding the first year for which the apportionment is determined bears to the total average pupil enrollment from all member towns at said school for the same

five year period. In the event that enrollment at District High School has not been accomplished by October 1, capital costs shall be determined on the basis of enrollment in grades seven through twelve of pupils residing in each member town and receiving education at such town's expense on October 1 of that year.

- (2) Each member town's percentage share to the nearest one tenth of one percent will remain in effect for the term of the debt for each capital project.

(G) Apportionment of Operating Costs

Operating costs for the first fiscal year next following the effective date of Chapter 371 of the Acts of 1993 (See attachment) and for every fiscal year thereafter shall be apportioned to the member towns on the basis of their respective pupil enrollments in the regional District schools. Each member town's share for each fiscal year shall be determined by computing the ratio which that town's average pupil enrollment in the District schools on October 1 of each of the five years next preceding the year for which the apportionment is to be determined bears to the total average pupil enrollment from all member towns in the regional District schools for the same five year period, as more fully set forth in Subsection IV(H) below. In the event that enrollment in the regional District schools has not been accomplished by October 1 of any year, operating costs shall be apportioned on the basis of enrollment in grades kindergarten through twelve of pupils residing in each member town and receiving education at such town's expense on October 1 of that year.

(H) The apportionment of operating costs shall be determined in accordance with the following procedure:

First: The Committee shall determine the proportion of the annual budget representing costs associated with the provisions of services to grades seven through twelve and the proportion representing costs associated with all other services including services to grades kindergarten through six.

Second: The Committee shall determine the average enrollment share of each member town in grades seven through twelve, inclusive. For this purpose, average enrollment share shall equal, for each member town, its five-year average proportionate share of total student enrollment in the district schools for grades seven through twelve, as of October 1 in each of the five years immediately preceding the year for which such allocation is to be made.

Third: The Committee shall apportion costs of grades seven through twelve, inclusive, to the Towns of Hawley and Charlemont in direct proportion to each town's five-year average share of student enrollment in grades seven through twelve, inclusive.

Fourth: The total budget, less the shares allocated to the Towns of Hawley and Charlemont, shall be apportioned among the district's six remaining member towns on the basis of each member town's five-year average student enrollment share. For purposes of this calculation, average enrollment share,

for each of the K-12 Member Towns shall be based on its five year average proportionate share of total student enrollment in the district schools.

(I) Times of Payment of Apportioned Costs

Each member town shall pay to the District in each fiscal year its proportionate share, certified as provided in subsection VI(C), of the capital and operating costs. Except as otherwise provided in subsection VI(A), the annual share of each member town shall be paid in such amounts and at such times that at least the following percentages of such annual share shall be paid on or before the dates indicated, respectively:

August 1	16.25%
October 1	36.25%
December 1	50.00%
February 1	67.50%
April 1	87.50%
May 1	100.00%

(J) Special Funds

The District School Committee shall not interfere with a town's or Local Education Council's use of trust funds or other special funds, including separate town meeting articles, intended for the enhancement of the educational opportunities for that town's pupils. The operations budget shall not be reduced by the receipt of such funds.

SECTION V

NOTICE TO MEMBER TOWNS OF AUTHORIZATION TO INCUR DEBT

Within seven days after the date on which the Committee authorizes the incurring of debt, other than temporary debt in anticipation of revenue to be received from member towns, the said Committee shall cause written notice of the date of said authorization, the sum authorized, and the general purpose or purposes for authorizing such debt, to be given to the board of selectmen of each member town, in accordance with Chapter 71, Section 16(d) of the General Laws.

SECTION VI

BUDGET

(A) Tentative Maintenance and Operating Budget

On or before February 8th, the Committee shall annually prepare a tentative maintenance and operating budget for the next fiscal year, including therein provision for any installment of principal or interest to become due in such year on any bonds or other evidence of indebtedness of the District and any other capital costs to be apportioned to the member towns in such year. The said budget shall be in reasonable detail, including the amounts payable

under the following classifications of expenses and such other classifications as may be necessary:

1. Administration
2. Instruction
3. Other School Services
4. Operation and Maintenance of Plant
5. Fixed Charges
6. Community Services
7. Acquisition of Fixed Assets
8. Debt Retirement and Debt Service
9. Programs with Other Districts and Private Schools

Copies of such tentative budget shall be mailed to the chairperson of the Board of Selectmen and finance committee of such town.

(B) Final Maintenance and Operating Budget

The Committee shall on or before March 1 in each year adopt an annual maintenance and operating budget for the next fiscal year, said budget to include debt and interest charges and any other current capital costs as separate items, and shall apportion the amounts necessary to be raised in order to meet the said budget in accordance with the provisions of subsections IV(E) and IV(F) and with the provisions of sub-section IV(G), provided however, that the Committee shall adopt said annual maintenance and operating budget for the next fiscal year not later than forty-five days prior to the earliest date on which the business session of the annual town meeting of any member town is to be held, but not later than March 1, and further provided that said annual maintenance and operating budget need not be adopted prior to January 18. The amounts so apportioned for each member town shall, within twenty days from the date on which the annual budget is adopted by the regional school district committee, and not later than March 10, be certified by the district treasurer to the treasurers of the member towns.

(C) High School Operating and Maintenance Budget for the purpose of Determining Tuition

For the purposes of determining tuition, the High School Operating and Maintenance Budget is defined as that portion of the budget relating to expenditures for high school level pupils in grades seven through twelve, inclusive. Budget lines for shared high school and elementary school costs, including but not limited to Administration and Transportation, shall be apportioned by computing the ratio which the grades 7-12 average pupil enrollment in the regional district on October 1 of each of the five years next preceding the year for which the apportionment is determined bears to the total average pupil enrollment from all member towns in the regional school district for the same five year period. The High School Operating and Maintenance Budget shall not include any cost for capital debt retirement or debt service.

For purposes of voting on the annual budget by the member towns, the approval of the District's annual budget by the town meetings of each K-12 Member Town shall constitute two "units" towards approval or disapproval of the annual district budget, while Hawley and Charlemont shall have one "unit" each, with a total of ten units needed to approve the annual budget.

SECTION VII
